

# INTERNATIONAL CONFERENCE

## COPYRIGHT AND THE PUBLIC INTEREST: AFRICA AND THE GLOBAL SOUTH

**3 February 2025, Mandela Institute, University of the Witwatersrand, Johannesburg & 6 February 2025, University of Cape Town**

What is "AI for Good" in Africa? Can African researchers, innovators and educators access the works they need and can we guard against data colonialism? How do we protect creators' livelihoods? Will the Copyright Amendment Bill in South Africa survive legal challenge? What can we learn from Nigeria, Kenya and beyond?

**Join Policymakers, Academics, Creatives and Activists from around the African continent, and beyond, to discuss Copyright Policies to serve the Public Interest.**
