

**WISER / School of Public Health**

presents

## **Wits Science, Technology, & Medicine Reading Group**

---

If you're doing amazing research in science, technology, and medicine, but don't have a **common space** from where to connect: join our reading group!

Once a month, we'll be discussing readings that reflect on science, tech, and medicine in the South African and Southern Africa context by **highlighting its stories, theories, and histories**.

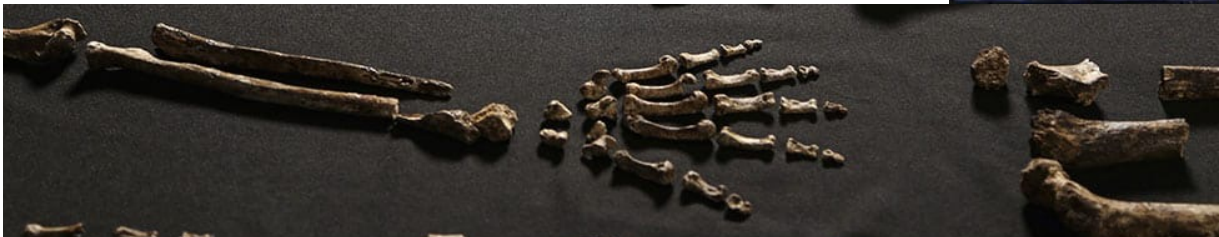

THEME: Taboo!

WHEN: **Tuesday, March 22** from **13-15h**.

WHERE: Room 312, School of Public Health, Education Campus.

WHO: Everyone is welcomed to join the reading group.

WHAT: Every last Tuesday of month (minus March due to the holiday) to read/discuss issues in science, tech, & medicine.

For more information, check out our **website**:
